3.1. Skyline reserves the right to amend the specification of the Products that are the subject of an

Order as required to conform with any statutory requirements or applicable law, or where the Products are supplied based on Skyline's specification, which do not materially affect the quality or performance.

4. DELIVERY

4.1. As part of the Order Confirmation, Skyline shall provide an estimated delivery date for delivery of the Products. The Trader acknowledges and agrees that, unless otherwise specified by Skyline in writing, delivery dates are estimates only and Skyline shall not be liable for any delays in respect of failure to meet a particular delivery date. Time for delivery shall not be of the essence.

4.2. Delivery of the Products shall be made by either: 1) the Trader collecting the Products from Skyline's nominated premises as specified in the Order Confirmation; or 2) Skyline delivering the Products to the Trader's registered office address as specified in the Order Confirmation. If the Trader requires the Products to be delivered to an alternative location, this must be agreed with Skyline in writing in advance at least fourteen (14) days before the estimated delivery date specified in the Order Confirmation. The Trader shall be responsible for paying the cost of transport, insurance and any other costs associated with moving the Products to the agreed delivery location. Where the Trader arranges for delivery or collection directly with a third party courier, Skyline shall not be responsible for any damage to or loss of the Products once they have left Skyline's premises.

4.3. The Trader will be required to sign a delivery receipt confirming that they have received the Products in full and that they are free from material Defects. In the event that the Trader identifies any Defects or missing parts, the Trader should notify Skyline without delay (and in any event within 24 hours of delivery or collection). Where the Trader signs the delivery receipt or does not notify Skyline in accordance with this clause, the Trader is deemed to have accepted that the Products meet the Order. The Trader acknowledges that:

4.4.1. it is the Trader's responsibility to ensure that all of the elements and component parts to the Products are included in the delivery and any parts subsequently reported (later than 24 hours after delivery or collection) as missing will be considered as lost by the Trader and may be subject to additional costs; and

4.4.2. any Defects present at the time of delivery that are subsequently reported may not be covered by the warranties set in out clause 8.1 and repair of such Defects may therefore incur additional costs, except where the Defect was not apparent on reasonable inspection at the time of delivery, in which case it must be reported to Skyline within a reasonable time after discovery of the Defect and the warranties shall apply.

5. PRICING AND PAYMENT

5.1. The price of the Products shall be calculated using Skyline's then-current Trade Price List at the

time of the Order Request. Skyline will confirm the pricing of the Products payable by the Trader in the Order Confirmation email (the "**Price**"). The price is exclusive of delivery, packaging, insurance, freight, carriage, and all other related charges, duties or taxes. Packing, including crate and any other packaging required, will be quoted for separately and included in the Order Confirmation.

5.2. Skyline will invoice the Trader as part of the Order Confirmation. The Trader shall pay the invoice within thirty (30) days of the date of the Order Confirmation. The time of payment of the Price shall be of the essence.

5.4. The Price is exclusive of any value added tax or other applicable taxes for which the Trader shall be liable.

5.5. Skyline may increase the Price with immediate effect by written notice to the Trader where there is an increase in the direct cost to Skyline of supplying the relevant Products.
