The Skyline Volkswagen T4/5/6 & Transit Custom Pop-top roof has been over 12 years in development & manufacture, we are always looking to move our product forward. At Skyline we use an advance vacuum moulding technique, which ensures we produce a superior rigid VW T4/5/6 pop-top roof with no external fittings, this coupled with our 100% waterproof canvas gives us one of the best elevating roofs for Volkswagen T4/5/6's on the market today!

Skyline are a UK manufacturer using UK only sourced products. This ensures we have our pop top roofs ready to ship direct to you with no waiting for European imports.

We are also the UK market leaders in Safety and now have Full TUV Approval for our T5/6 roofs and ISO9001 rated, leading the market!
